Annual Greeting to Member School Districts

Thank you for choosing to be a MARS member. MARS is the only organization dedicated to specifically addressing the unique fiscal and organizational issues associated with leading a regional school district. We appreciate your membership and input. The MARS 2019-2020 Membership Directory, Meeting, and Professional Development Calendar are attached. Registration materials for upcoming workshops, meetings, and professional development will be emailed to members prior to the events.

This year our general session meetings will focus on a variety of topics important to regional school districts. Additionally, a survey will be distributed to all regional school superintendents and your feedback will provide valuable information as to how we can continue to provide support, professional development, and meetings that matter most to regional school districts.

Our meeting and professional development, calendar of events and current issues, as well as tapings (also on YouTube) of topical presentations, are available at www.massassociationregionalschools.org or email us at marsmatters@marsregionals.net.

Please contact Maureen Marshall or Christine Johnson whenever you have a question or need additional assistance or resources. On behalf of the MARS Executive Board, we wish you and your school community a successful and enlightening school year.

Respectfully,

Maureen M. Marshall, MARS Executive Director
Christine M. Johnson, MARS Assistant Executive Director
